

Naughty or Nice Hand Towels Project by Mary Jane Allen
tbearwoman@perfectlittlestitches.com
(c) Perfect Little Stitches, 2003

(Do family and friends think they are Naughty or Nice?)

Supplies:

Hand towels or kitchen towels
Tulle to match towel (if embroidering on terry)
Water-soluble stabilizer
Embroidery thread and bobbin thread

Hoop the water-soluble stabilizer. Place towel over the hoop. Place tulle over the towel. Pin through all three layers, taking care to keep pins outside the embroidery area. Embroider. Unpin. Tear away stabilizer and tulle. Any remaining stabilizer will wash away. Remaining tulle will blend in with the towel. Be sure to use tulle. It is finer than nylon netting. Tulle will keep the terry loops from showing through the lettering and is easy to tear.
